SEALED TENDERS, marked "Tender for Project 2446—Contract 1: Crushed Granular Surfacing in Stockpile, Kimpton Pit, Windermere Area," will be received by the Minister of Highways in his office at the Parliament Buildings, Victoria, B.C., up to 2 p.m. (Pacific Daylight Saving time) on Thursday the 19th day of October 1972, and opened in public at that time and date. Tenders should be delivered to Room 237, Douglas Building, Victoria.

Plans, specifications, and conditions of tender may be obtained from the Provincial Government Plan Viewing Room, 108, 501 West 12th Avenue, Vancouver 9, B.C. (telephone 879-7531), or from the undersigned for the sum of \$10 (cheque or money order made payable to the Minister of Finance), which is not refundable.

Construction of this contract shall conform to the requirements of the applicable sections of the Department of Highways "General Specifications for Highway Construction." If the bidder does not already have a copy of these specifications, one may be obtained from the Provincial Government Plan Viewing Room, Vancouver 9, or from the undersigned for the sum of \$10 (cheque or money order made payable to the Minister of Finance), which is not refundable. All copies purchased are registered and amendments are forwarded when issued.

Each tender must be accompanied by a bid bond or a certified cheque in an amount equal to 10 per cent of the tender price. A performance bond and a labour and material payment bond, each in the amount of 50 per cent of the tendered sum, in a form acceptable to the Minister of Finance, must then be provided by the successful bidder upon receipt of notice of acceptance of tender. If a bid bond is supplied, this bond shall be forfeited if the tenderer declines to enter into a contract if called upon to do so. In the event that

the successful bidder supports his tender with a certified cheque, but fails to produce the required performance bond and labour and material payment bond within a period of 14 days from the date of issuance of notice that his tender is accepted, the Minister of Highways shall have the right to forfeit the tender deposit in its full amount or to the extent of the difference in cost between the bidder's tender and the accepted tender, whichever is the lesser.

Tenders must be made out on the forms supplied and enclosed in the envelope furnished.

The tender submitted is irrevocable for 60 days and may not be altered, amended, or withdrawn for any cause without the written permission of the Minister.

Tenderers are advised that all bidders will be required to satisfy the Minister of Highways, in writing, that they have the necessary qualifications to successfully perform the work. It is preferred that tenderers submit with their tenders a list stating the type, capacity, and present location (so that inspection can be made if necessary) of the equipment in their possession or at their disposal which is immediately available for the carrying-out of the work within the time limit specified without in any way curtailing or delaying any Departmental project that may be under contract at this date.

No tender will be accepted or considered which contains an escalator clause or any other qualifying conditions, and the lowest or any tender will not necessarily be accepted.

It is preferred that tenderers submit with their tenders a schedule of proposed construction operations showing estimated monthly progress for each phase of the construction work.

Tree Planting Project 92H12-12, Situated on Fir Creek

CONTRACTORS are advised that the British Columbia Forest Service intends to let a planting contract in the winter of 1972* for the planting of 132,000 trees on 254 acres, more or less, situated on Fir Creek, adjoining Big Silver Creek, east side of Harrison Lake.

In order that prospective bidders may have an opportunity to view the planting-site and acquaint themselves with conditions on the ground, the Forest Ranger at Harrison Lake will supply directions to interested parties to the area. Interested parties are advised to examine the contract area for themselves before submitting bids.

Sealed tenders for this contract will be received by the Chief Forester up to 4 p.m., Thursday, December 21, 1972, except that for specific reasons the Chief Forester may extend such time.

Tenders will not be considered unless made out on the tender form supplied, properly signed and witnessed, and accompanied by a deposit in the form of a certified cheque or money order in the sum of \$50, payable to the Minister of Finance.

Tenders must be submitted in the envelope marked "Tender for Tree Planting."

The lowest or any tender will not necessarily be accepted, and the Forest Service reserves the right to limit the number of contracts held by any party at any one time.

Prospective bidders are advised that this contract will be awarded only on proof that the successful bidder has arranged with the Workmen's Compensation Board for the necessary coverage of all employees and (or) partners who will be working on the contract.

Note that, prior to commencement of planting, the successful bidder will be required to submit a deposit in the total amount of 5 per cent of the bid price.

Planting-stock required for the contract will be supplied free of charge by the Forest Service f.o.b. at a place designated by the Forest Service.

Particulars may be obtained from the Chief Forester, Parliament Buildings, Victoria; the District Forester, Marine Building, Vancouver 1; or the Forest Ranger at Box 190, Harrison Hot Springs.

*Note—Although this contract is due for award in the winter of 1972, the area will not be planted until the spring or early summer of 1973. oc12-3719
